

BILLICH MAVERICK FINE WINE ART COLLECTION

Sydney-based Charles Billich is to the world of surrealist art what Barossa-based Ronald Brown is to that of hand-crafted artisanal wines. Both are true Mavericks. Our Billich Maverick Collection brings together their very best wine art in a numbered 100-set limited edition collection of 6 of the best creations of each.

Each set is offered at \$1,000. Although the wines can be enjoyed now, the top wine critics agree that they will cellar for 25-40 years.
